Dear Candidate:

Greetings from the Clay Family Policy Alliance. We have changed our name but our mission remains the same. We are a group of professionals and other concerned citizens endeavoring to promote a pro-family culture in Clay County. In order to assist voters concerned with family issues the Clay Family Policy Alliance is conducting a survey of local candidates' positions to be included in a voter guide and to be posted on our website. We are celebrating our 14th year as an organization. Our voter guide is the original and most reliable voter guide for local candidates in Clay County.

Enclosed is your Candidate Survey along with a self-addressed stamped envelope. Please record your answers by indicating "oppose, undecided or support" on the line provided. You may include additional comments; however, due to printing limitations, such comments will only be available on our website along with your entire survey. If you choose not to participate, we request that you return the unanswered Survey in the stamped envelope provided.

All instructions are on the first page of the 2020 Survey Questions. The voter guide will then be compiled focusing on the questions that were answered differently among candidates in a given race. In the event we have not received your survey by the deadline or you have indicated that you do not wish to return the survey, we will report "chose not to respond" on the voter guide. The voter guide may include information from public records as well.

It is our goal to assist voters in Clay County by offering a tool to aid them in identifying candidates that best represent their views. The Clay Family Policy Alliance is non-partisan and does not endorse candidates for office. We look forward to receiving your survey.

Should you have any questions, please feel free to contact me either by email at clayvoterguides@gmail.com or by phone at 284-2473.

Regards,

Mary Lib Stevenson
